Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Per Examiner Jacobs' telephone request of Friday, January 12, 2007, enclosed is a PTO/SB/08 Equivalent listing sixteen (16) foreign patent documents and non patent literature for consideration by the Examiner. A copy of each reference is also enclosed.

Applicant notes that each of these references was cited by the Applicant in an Information Disclosure Statement mailed on October 21, 2004, by the previous counsel of record in the present application. Applicant's records further show that copies of all the references cited in the October 21, 2004 Information Disclosure Statement were also submitted. Moreover, the United States Patent and Trademark Office acknowledged on a return postcard that copies of these references were received on October 25, 2004.

The Examiner has noted, however, that the foreign patent documents and non patent literature cited in the October 21, 2004 Information Disclosure Statement were not electronically scanned into the image file wrapper of the present application. Rather, it appears that other, non-related, references were electronically scanned along with the October 21, 2004 Information Disclosure Statement.

In view of the foregoing, the Examiner has requested that Applicant resubmit the sixteen (16) enclosed references for consideration.

Customer No. 20,995

Applicant also notes that a Notice of Allowance was mailed in the present application on November 27, 2006. Because it appears that the enclosed references were already submitted in the present application in accordance with the requirements of 37 C.F.R. § 1.98 or, alternatively, that there was a *bona fide* attempt made to comply with the requirements of 37 C.F.R. § 1.98, Applicant believes that under 35 U.S.C. § 1.97(f) no fee is required. Notwithstanding, however, the Commissioner is hereby authorized to charge any additional fees which may be required to Account No. 11-1410.

Respectfully submitted,
